Courts Remain Open September 19, 2022**

The Prime Minister has announced a National Day of Mourning in Canada, for September 19, 2022, to mark the passing of Her Majesty Queen Elizabeth II. This date coincides with Her Majesty's state funeral and the end of Canada's official period of mourning.

The Government of Yukon has announced the day will be observed in the Yukon as a one-time holiday for the public service.

Despite this announcement, all matters scheduled to be heard in the Supreme Court of Yukon and the Territorial Court of Yukon will proceed on Monday, September 19, 2022. The registry will be open for filing of court documents. The Courts have made this decision in recognition of the Courts' role in upholding the administration of justice and ensuring access to justice.
